3 Challenges I think I might face in this project:

1) 

How to Overcome Challenge #1:

2) 

How to Overcome Challenge #2:

3) 

How to Overcome Challenge #3:

ELGC Goals

An Emoji of how I am feeling about ELGC:

A few words to describe this face:

_________________________
_________________________
_________________________

3 of my strengths as a learner:

1) 

2) 

3)
2 Things I hope to learn are:

1)

2)

GOAL Brainstorming:

MY GOAL IS:____________________

__________________________________

__________________________________

__________________________________

__________________________________

A STRONG GOAL IS:

SPECIFIC

MEASURABLE

ATTAINABLE

RELEVANT

TIME BOUND

How will I measure?

How much time?
